Dear Ms. Hatchett:

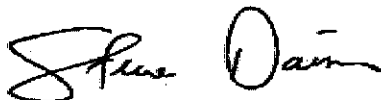

I am writing to you in support of Community Health Partners, Inc.'s (CHP's) application for the Health Center Program Competing Continuation grant to help support CHP's base funding by providing uninsured, low-income patients with affordable healthcare services in rural Montana.

CHP has provided high-quality, affordable medical, dental, behavioral, pharmacy, and educational programming to rural residents living in Park and Gallatin Counties. CHP has served as a leader in the healthcare community and has maximized resources to meet the healthcare needs of Montanans.

If successful, funds will be used to help sustain CHP's base funding and provide uninsured, low-income patients with quality healthcare services. I support organizations, like CHP, who remain dedicated to serving medically underserved communities in Montana.

I trust you will give this grant application fair and thoughtful consideration.

Sincerely,

Steve Daines  
United States Senator
