Dear Senator Daines,

Please consider this letter of support for the appointment of Kurt Alme as Montana's next U.S. Attorney.

As a CEO, often times when I meet people I ponder the type of employee they would make. After visiting with Kurt the first time it was easy to see he was a true leader, a motivator for change and a truly kind and compassionate human being.

I first met Kurt about ten years ago through a coworker of mine. Prior to meeting, I was informed of Kurt's educational and career background. Needless to say, it was impressive. But after meeting Kurt and spending time around him and his childhood friends, I was actually surprised. Surprised by how unassuming and likeable he was. How kind and thoughtful he was. I learned about his community service involvement and the numerous leadership roles he has held in various volunteer organizations. It didn't take long to see what a genuinely nice guy Kurt is.

I strongly encourage support of Kurt Alme for the position of Montana U.S. Attorney. He is the right man for the job!

Sincerely,

Albert J. Vukasin, Jr.
